What they're saying....

Clint D: Great house with all the amenities. Rent and stay or go and play! Enjoy what the lake has to offer or watch the wildlife in the woods. Regardless you will love this lake house retreat.

Dallin M: I fell in love with this place a few years ago, and haven't looked at any other property since. The location of the lake house is a short boat ride across the lake to the marina in Coeur D'Alene, the drive is beautiful as well. Everything you see in the photos speaks for itself. There is plenty of room in the house, the patios provide plenty of space to eat, hang, and gather, and the extended dock offers another place to enjoy the lake. It is obvious that the owners take pride in the lake house, its clean, well kept and easy to find your way around. I have stayed at the house with friends and family, either way, its such a great stay!

Gigi: The photos here do no justice! There are stunning views, a new dock with plenty of room to play, layout, swim and fish. My family and I stayed at this house for two weeks of blissful vacation. Spacious, CLEAN, beachfront property with all of the luxuries of home. I can't wait to go back.

Luke E: We have stayed here several times and are always anxious to come back. Close to town, and more importantly, right on the lake. All the rooms and bathrooms are comfortable and there is plenty of room for everyone to have their own space. We have stayed during the summer for boating and in the colder months to enjoy hiking. This home is excellent year round.

Heather H: This cabin is in great condition, open, airy and quiet. The decks are lovely to sit on and enjoy warm summer nights. The dock reaches out onto the water and makes it a great place to jump and swim, because it is located on the bay there is no boat traffic. Plenty of room for all of the family and fun times for the kids in their own bunk room. I will stay there every summer, that is a guarantee. I love that lake, it is warm, clean and so large that boat traffic is not a problem and there are lots of rivers to explore. Hudson's is close by for pizza and homemade jams. Have a great time!
